

2012 CIP SPRING EXAM NO. 2
Due Date March 19 2012

1. Fourth and 10 at the A-40. B23 catches the punt at the B-17 and carries the ball to the B-21 where he fumbles. During the fumble B92 holds A46 at the B-18. A37 recovers the ball at the B-20 and returns it across Team B's goal line for a touchdown.

2. First and 10 at the B-40 late in the first quarter. Team A lines up with eight men on the line of scrimmage, all numbered legally. Before the snap, end A84 goes in motion from a standing position (no false start) and is five yards behind the neutral zone at the snap. At the B-46 QB A12 hands the ball forward to A84 who carries for a seven-yard gain before being driven out of bounds. The game clock reads 1:25.

3. Second and 14 at the A-2. A13 is deep in his end zone when he throws a forward pass intended for A26. A72 standing next to A26 moves in front of him and tries to catch the ball but muffs it high into the air. A26 catches the muffed pass and is tackled at the A-18. Both A72 and A26 are in Team A's end zone when they touch the ball.

4. Time in the fourth period expires when Team A scores a touchdown to make the score A23-B24. The kick try from the B-3 is successful. B62 roughs the kicker. Team A could accept the penalty and repeat the try but elects to keep the point.

5. Third and 12 at the A-45. QB A12 drops back into the pocket to pass. At the A-43 guard A67 is inside the blocking zone when he blocks defensive lineman B70 just above the ankles from the back. A12 completes the pass to eligible receiver A88 who is tackled inbounds at the B-40.

6. Second and 20 at the B-30. Two seconds after releasing a forward pass A12 is tackled by B78 at the B-36, drawing a flag from the referee for roughing the passer. Eligible A80 catches the ball at the B-10, heads toward the sideline, and at the B-4 he fumbles the ball which strikes the goal-line pylon.

7. Third and 13 at the A-3. QB A17 in the end zone is hit after his arm has started forward. The ball pops up into the air and eligible receiver A34 intentionally bats the ball forward. The loose ball rolls to the A-4 where A55 recovers it.

8. Fourth and one at the B-40. Team A is in scrimmage kick formation with numbering exceptions on the line. The punter then moves up behind the center in position to receive a hand-to-hand snap. Team A snaps the ball and gains five yards on the play. B17 was in the neutral zone at the snap without making contact.

9. Third and seven at the A-40 and the game clock is running. Linebacker B56 is stationary within one yard of the neutral zone. As the offense is calling its snap signals, B56 feints toward the line in an obvious attempt to induce a false start.

10. Team A onside kick at the A-30. During the kick A22 touches the sideline at the A-35. He recovers the untouched kick inbounds at the A-42.
